PPONEW MEXICO

- is offered exclusively to Plan Participants covered by the State of New Mexico General Services Department/Risk Management Division dental Plan which is administered by Delta Dental of New Mexico,
- is a preferred provider network with over 750 points of access in New Mexico.

PPONEW MEXICO

is designed to offer Plan Participants comprehensive dental benefits, affordable Plan contributions, and savings at the time services are received.

PLAN PARTICIPANTS

- have direct access to any dental provider, with no referrals required and no “closed” provider panels,
- never have to pre-select a dentist and may use a different dentist for every family member,
- are initially responsible only for co-payments and deductibles, if any.

PPONEW MEXICO DENTISTS

- have specifically agreed to a **PPONew Mexico** fee schedule,
- will not bill Plan Participants for any amount over the **PPONew Mexico** Maximum Approved Fees for covered services, which protects them from “balance bill” charges that can apply Out-of-Network,
- have agreed to bill Delta Dental first for covered services, avoiding the need for Plan Participants to pay first and wait for reimbursement.

How Benefit Payment is based

In-Network — PPONew Mexico Participating Dentists

Fee schedule agreements (Maximum Approved Fees) result in lower charges for dental services, so Plan Participants save when a **PPONew Mexico** dentist is selected. In addition, benefit levels are enhanced In-Network. Although the **PPONew Mexico** network may not include specialty dentists in every category in every area, most services are available In-Network.

For maximum savings, select participating dentists, including specialists, whenever possible.

To locate a PPONew Mexico dentist, log on to www.deltadentalnm.com and click on the Dentist Search link.

Out-of-Network (non-participating) Delta Dental dentists

- Not all Delta Dental dentists participate in **PPONew Mexico**. **Covered services received from dentists who do not participate in PPONew Mexico are subject to Out-of-Network benefits levels.** Be sure to ask if your dentist is part of **PPONew Mexico**.
- In addition to the difference in benefit levels, Plan Participants pay any difference between Delta Dental Premier costs and **PPONew Mexico** Maximum Approved Fees. Plan Participants are protected, however, from balance billing for amounts above the Delta Dental Premier fee maximums.

Out-of-Network dentists not participating in any Delta Dental dentist network

- Benefits apply for covered services at a non-participating dentist, but **Maximum Approved Fees are greatly reduced for non-participating dentists.** Out-of-Pocket costs can be much higher.
- **Covered services received from these dentists are subject to Out-of-Network benefit levels,** and dentists may balance bill Plan Participants for any amounts not paid by the Plan.

Maximize benefits by selecting a PPONew Mexico dentist whenever possible.

If Out-of-Network services are received, help reduce additional out-of-pocket costs by selecting a Delta Dental Premier dentist.
