

**Catering
San Juan College**

Do you need catering services for an event at San Juan College?

- ⇒ Catering is available through San Juan College Food Service (x3155) or
- ⇒ Off site catered events can also be handled by “pre-approved” caterers, which are listed below.
- ⇒ Only the off site caterers listed on this list may be contacted for your needs.
- ⇒ If you only require cookies, punch, finger foods, etc. - - that do not need to be held at a hot or cold temperature for safety reasons - - you may bring these items in yourself.

It is strongly suggested that we use the San Juan College Catering service as they can accommodate any needs and meals requested and have a full staff for this type of service.
