

**HUMAN SERVICES
GENERALIST STUDIES
ASSOCIATE OF APPLIED SCIENCE
Catalog 2005-2007**

San Juan College offers the Associate of Applied Science in Human Services, Generalist Track, as an occupational training and job upgrading program. The curriculum is designed to provide the educational skills and practical experiences necessary to enable a student to enter this occupational field. The program is designed to provide students with employable skills for entry level positions in mental health, social services, substance abuse treatment, client advocacy, community outreach, community shelters, youth programs, and other service oriented programs; and provide students with credits leading to a bachelor's degree in social work at colleges or universities in New Mexico.
