

**COMPUTER SCIENCE AND INFORMATION TECHNOLOGY
CISCO CCNA
CERTIFICATE
Catalog 2005-2007**

The Cisco Academy utilizes a blended learning model, integrating face-to-face teaching with a challenging web-based curriculum, hands-on lab exercises, and Internet-based assessment. Upon completion of this certificate, students will have prepared for the Cisco Certified Network Administrator (CCNA) certification exam. Students are expected to sit for the exam as part of the coursework. Please consult with an advisor in the CIS area prior to enrolling in these courses.

The program requires mathematical and computer software experience. ITCT 111 and ITCT 115 are prerequisites, although instructor permission and/or transfer credits are acceptable for substitution.

			Credit Hour	Grade	
___	ITCT	150	Cisco Network Administration I	3	___
___	ITCT	151	Cisco Network Administration II	3	___
___	ITCT	152	Cisco Network Administration III	3	___
___	ITCT	153	Cisco Network Administration IV	3	___
