

BUSINESS ADMINISTRATION  
ASSOCIATE OF APPLIED SCIENCE DEGREE  
Catalog 2008-2009

The Associate of Applied Science degree in Business Administration is designed to prepare students for positions in mid-level management, first line supervisor, or other positions requiring leadership skills. The program stresses both management and marketing to enhance the participant's employability as well as others who need to upgrade their managerial skills. The general education courses and most of the business courses will transfer to a variety of colleges and universities. Transfer students should follow the Associate of Arts Business Administration transfer program plan.

This program is accredited by the Association of Collegiate Business Schools and Programs (ACBSP)
