

TOYOTA TECHNICAL EDUCATION NETWORK (T-TEN)
 CERTIFICATE
Catalog 2008-2009

The certificate program is supported by Toyota Motors. Because of their support, students in the San Juan College T-TEN program will receive instruction in current Toyota technology. The first phase of training in each subject area will be taught at San Juan College with the last phase taught at a sponsoring Toyota dealership. This type of rotation continues for the duration of the T-TEN program. **This program is available by pre-selection only.**

Note: This program requires that the student purchase his/her own tools. To obtain a list of the required tools, contact the Automotive Department, 566-3339.

Note: If the T-TEN program starts in an odd numbered year, the first Co-op will be in the first semester. If the T-TEN program starts in an even numbered year, the first Co-op will be in the second semester.

Note: A student must earn a grade of "C" or higher in all courses in order to receive a degree. All courses are designed for 8 week periods.

1st Semester				Credit Hours	Grade
___	MATH	113	Applied Mathematics for Vocational Students	3	___
