

AUTO BODY
Associate of Applied Science Degree
Catalog 2010-2011

The Auto Body Program provides the theory, practical knowledge, and skill development necessary for employment in the Auto Body field. For those already employed, the program provides courses and/or programs to upgrade or allow occupational advancement.

Note:

- This program requires students to purchase their own tools. To obtain a list of the required tools, contact the program instructor, 566-3354.
- A student must earn a grade of a "C" or higher in all courses in order to receive a degree or certificate.
- Courses indicated with an asterisk (*) should be taken together.

Recommended course sequencing for first-time students
