

AUTOMOTIVE SERVICE EDUCATION PROGRAM (ASEP)
 Electrical, Emissions and Performance Technician Certificate
 Catalog 2010-2011

This two-year Associate of Applied Science Degree is supported by the General Motors Corporation. Because of their support, students in the San Juan College ASEP program will receive instruction in current General Motors technology. The first phase of training in each subject area will be taught at San Juan College with the last phase taught at a sponsoring GM dealership. This type of rotation continues for the duration of the ASEP program. **This program is available by pre-selection only.** Contact the Automotive Department @ 566-3339 for further information.

Note: This program requires that the student purchase his/her own tools. To obtain a list of the required tools, contact the Automotive Department. A student must earn a grade of a "C" or higher in all courses in order to receive a degree. All courses are designed for 8 week period. If the program starts in an odd numbered year, the first Co-op will be in the first semester. If the program starts in an even numbered year, the first Co-op will be in the second semester.

	Credit Hour	Grade
1st Semester		
____ ASEP 120 GM Electrical and Ignition System	7	_____
	Total 7
