

AUTO BODY  
Certificate Program  
Catalog 2010-2011

The Auto Body program provides the theory, practical knowledge, and skill development necessary for employment in the Auto Body field. For those already employed, the program provides courses and/or programs to upgrade or allow occupational advancement.

**Note:**

- This program requires students to purchase their own tools. To obtain a list of the required tools, contact the program instructor, 566-3354
- A student must earn a grade of "C" or higher in all courses for the courses in order to receive the certificate.
- Courses indicated with an asterisk (\*) should be taken together.

**Recommended** course sequencing for first-time students.
