## Always Have a Dream

Author Unknown

Forget about the days  
when it's been cloudy,  
but don't forget your  
hours in the sun.  
Forget about the times  
you've been defeated,  
but don't forget  
the victories you've won.  
Forget about the mistakes  
that you can't change now,  
but don't forget the lessons that you've  
learned.  
Forget about the misfortunes you've  
encountered,  
but don't forget the times your luck has  
turned.  
Forget about the days when you've been  
lonely,  
but don't forget the friendly smiles  
you've seen.  
Forget about plans  
that didn't seem to work out right,  
but don't forget to always have a dream.

## The Road Not Taken

By Robert Frost

Two roads diverged in a yellow wood,  
And sorry I could not travel both  
And be one traveler, long I stood  
And looked down one as far as I could  
To where it bent in the undergrowth;  
Then took the other, just as fair,  
And having perhaps the better claim  
Because it was grassy and wanted wear;  
Though as for that the passing there  
Had worn them really about the same,  
And both that morning equally lay  
In leaves no step had trodden black.  
Oh, I kept the first for another day;  
Yet knowing how way leads on to way,  
I doubted if I should ever come back.  
I shall be telling this with a sigh  
Somewhere ages and ages hence:  
Two roads diverged in a wood, and I —  
I took the one less traveled by,  
And that has made all the difference.

## Utah College Visit

On March 21 –23, the EDGE participants had the opportunity of going on two college visits in Utah. We stayed at the University of Utah's guest housing Friday night and woke up to a spectacular view of the snow-covered Rocky Mountains. Our excellent campus tour was given by a member of Student Support Services and no one left with unanswered questions. After a sun baked lunch on the terrace of "Desert Edge" and a do-it-yourself Salt Lake City excursion, we headed to the Utah Valley State campus. Our tour was given by Student Support Services there as well. After the tour, the general consensus of the group was that San Juan College offered just about as much as Utah Valley State, even though San Juan is just a two-year college.

We braved the elements and camped out in Moab on Saturday night. We all told truths and lies around the campfire and "tried" to sing as Keith played his guitar. Sunday morning we awoke early because our feet were frozen and John booted us out of our tents. We spent the rest of the day at Arches National Park, rock climbing, soaking up the sun and getting to know each other better. Sunday afternoon we made the trek home. We were all very happy that our drivers got us home on time and all enjoyed the experience.
