ESCAPE Club Has New Officers

The ESCAPE club has some new officers...they are:

Merideth Pincock
President

Bart Dodson
Vice President

Nicole Jourdan
Treasurer

Sally Kimbell
Senate Rep.

Jen Rosenbaugh
Senate Rep. (Alt)

The Secretary, Valerie Matlock, remains the same. Valerie has been the secretary of ESCAPE since the fall semester. She is a semi-stressed-out mother of six vigorous children ages three to fifteen. She has one to two semesters left at San Juan College and then will transfer to the UNM Elementary Education program. Her biggest reason for teaching is the fact that when she sees the "I GET IT" look on a student's face, she knows she's helped make a difference.

Bart Dodson, the Vice President for ESCAPE, grew up in Aztec, and graduated high school in 1979. After graduation he joined the United States Navy and spent four years on the USS Coral Sea, an aircraft carrier. Sounds glamorous but he was a boiler technician, not at all glamorous. After his military service he got his CDL license and began working in the transportation industry. After 18 years in the business and three back surgeries, the doctor said he needed to change careers. Now he's a sophomore at San Juan College, majoring in Criminal Justice. After he gets his associates degree he hopes to transfer to Highlands University and continue to study in the Human Services field.

More features to come next month on the ESCAPE officers. Stay tuned.....

EDGE Students Visit The College of Santa Fe

On Monday, February 16, the EDGE staff took two small van loads to visit the College of Santa Fe. The campus had many types of art and our tour guides were nice and hospitable. Besides Art, the College of Santa Fe has several other degree options available, such as: Education, Business Administration, Political Science & Psychology and many more. A big highlight was the impressive library with the grand staircase.

After the tour at the college, and a complimentary lunch in their awesome cafeteria, the students headed downtown to the Plaza. Several students visited the Georgia O'Keeffe museum, the Frank Howell gallery, the Manitou Gallery, the Loretto Chapel and many others.

On the way back from Santa Fe, John decided to take the scenic route and got lost in Abiquiu, whereupon Brooks had to ask for directions. John now knows that he must turn left at the Abuquiu Dam to come home. Even though John got lost, everyone got a great laugh at his expense and all had a good time.

An Irish Blessing

May your thoughts be as glad as shamrocks.

May your heart be as light as a song.

May each day bring you bright happy hours,

That stay with you all year long.

For each petal on the shamrock

This brings a wish your way-

Good health, good luck, and happiness

For today and every day.
