Please make college possible! Enroll my child in the "**Possible Dream Scholarship Program**" at San Juan College.

I understand that by enrolling in this program, I am obligated for fifty regular payments of \$25 – beginning in the student’s eighth grade year – plus a one-time enrollment fee of \$10. This will guarantee the covered student for up to three, full-time semesters at San Juan College (fall, spring or summer). The student must complete all three “paid for” semesters within three years of the student’s declared date for graduating from high school.

Upon completion of the third “paid for” semester, the student will be awarded a general scholarship by the San Juan College Foundation for a fourth, full-time semester (This semester must also be completed within the three years of the student’s declared graduation date.)

My child will have six semesters in which to use my contributions plus the San Juan College Foundation Scholarship. The matching funds can only be used for my child's last semester, and my child must be in good academic standing (2.0 GPA or higher).

I further understand that if I withdraw from the program, I will receive a refund of any monies paid into my account minus a \$50 service fee, but will forfeit the "Possible Dream Scholarship" and any interest that may have accrued.

**NOTE: ENCLOSE THE \$10 ONE-TIME ENROLLMENT FEE,
 PLUS THE FIRST \$25 PAYMENT TO ENROLL.
 MAKE CHECKS PAYABLE TO SAN JUAN COLLEGE.**
