

## HUMAN SERVICES

### Associate of Applied Science Degree Criminal Justice Studies

San Juan College offers the Associate of Applied Science in Human Services, Criminal Justice Studies, as an occupational training and job upgrading program. The curriculum is designed to provide the educational skills and practical experiences necessary to enable a student to enter this occupational field. The program is designed to provide students with employable skills for entry level positions in a variety of criminal justice agencies, institutions, and service oriented programs; and provide students with credits leading to a bachelor's degree in criminal justice or social work at colleges or universities in New Mexico.
