Students may enroll in general education courses prior to admission to the program. (These courses are all those listed above which do not have a NURS prefix.) Taking general education courses that apply to the nursing curriculum does not guarantee acceptance to the program. Enrollment in nursing courses is limited to those who have been accepted into the Nursing Program. A grade of "C" or better must be achieved in chemistry and every course required in the curriculum.

NURS 205 Transition for Advanced Placement** (LPN/Transfer Students)

** NURS 205 is required only for students admitted under advanced placement or transfer status. Applicants already licensed as practical nurses may apply for advanced placement. For additional information, contact the Nursing department at 505-566-3224.

NOTE: All clinical credit hours are based on a ratio of 1:3 (one credit hour to three clock hours.)
