

TRIBAL GOVERNANCE

Associate of Applied Science Degree

The Associate of Applied Science degree in Tribal Governance is a specialized program of study for any student who wishes to work within the tribal government system. The courses provide students with a better understanding of the internal workings in a Native American governance structure. This degree is not intended for transfer to a 4-year college or university. Students are encouraged to meet with the program coordinator to discuss their career goals prior to enrolling in the program.
