

BUSINESS ADMINISTRATION Associate of Arts

The Associate of Arts degree is intended for transfer to a four-year baccalaureate granting institution. Students intending to transfer or pursue a particular course of study are strongly encouraged to check with their advisor and carefully coordinate their coursework at San Juan College with the requirements of the transfer institution. In general, however, it is suggested that students complete the New Mexico Transfer Module as outlined below. A grade of "C" or better is required in all Business Administration core and elective courses.
