

MESSAGE FROM THE INTERIM PRESIDENT

As an integral member of our community, San Juan College is committed to ensuring that higher education is accessible, relevant and enriching. You can be assured that the college is always working to ensure we stay ahead of the demands of industry and of shrinking resources, that we contribute to economic growth and take advantage of growing opportunities. Over the next year these efforts will increase as the institution builds on its vision to serve as a building block to creating a learning community.

Faculty are devoted to student success, and retention efforts are doubling to help remove barriers and better prepare students to achieve their educational goals. Fully accredited by the Higher Learning Commission, San Juan College provides a variety of associate degrees and certificate programs that prepare students to transfer to a four-year university or to pursue a career.

San Juan College promotes lifelong learning, with programs for students of all ages, from the infants in the Child and Family Development Center to the Encore Senior College.

A college education is essential for success in these demanding times. San Juan College provides the foundation for a successful career or a launching point to transfer to a university.

San Juan College has developed strong partnerships with business and industry to foster economic development

and a trained workforce, and with four-year universities so that students can complete bachelor's and master's degrees without leaving the area. Online courses and programs give students flexibility to learn according to their schedule.

In addition to quality learning opportunities found in the classroom, San Juan College is a cultural hub in the community, offering musical performances, theatrical productions, gallery shows and more. Students are also encouraged to participate in extracurricular activities such as intramural sports, student government, clubs and organizations. Career planning, counseling, testing and placement help students reach their full potential.

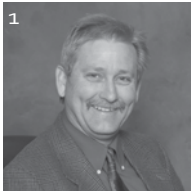

This catalog provides options for students, as well as a key to your future – higher education. If you are a new student, we welcome you to San Juan College. If you are a returning student, you are familiar with the quality education here. Whatever your educational goals may be, we are committed to your success.
