## OCCUPATIONAL SAFETY

### Associate of Applied Science Degree and Certificate

San Juan College (SJC) requires 15 credit hours to be earned at SJC. Credits for general education and core classes may be earned either online or by conventional classes. Core classes (career field) requirements are 36 credit hours. These can all be earned at SJC, or a student may transfer 18 credit hours for successful completion of the approved TEEX (Texas Engineering Extension Service) CSHO (Certified Safety & Health Official) Certificate. For information contact the School of Energy at 505-566-3890. NOTE: A student must earn a grade of C or higher in all courses to obtain a certificate or degree.

**AAS = Associate of Applied Science**

**C = Occupational Safety Certificate**
