APPLICATION

INSTRUCTIONS AND INFORMATION PACKET
FOR THE ADN
FALL 2018
NURSING PROGRAM

Thank you for your interest in the San Juan College Nursing program. The current application period is for the FALL 2018 ADN and BSN program. This application packet includes instructions and information for the ADN Program selection for the Fall 2018 class. Please read the information carefully and complete all sections of the application. Incomplete applications will not be processed. It is your responsibility to be aware of any new prerequisite changes.

PROGRAM DESCRIPTION

ADN PROGRAM: This is a two year program leading to an Associate Degree in Nursing (ADN). This nursing program is offered in the traditional semester format over the course of 5 semesters. Class and clinical sessions meet mainly during daytime hours.

San Juan College Nursing Department began admitting students into the statewide common curriculum through participation in the New Mexico Nursing Education Consortium (NMNEC) in fall of 2014. In preparation for ADN program application, the prerequisites and general education courses for application, selection and admission to the associate degree nursing program are included in this packet.

Students who graduate from the San Juan College Associate Degree Nursing Program (ADN) will be eligible to take the National Council Licensing Examination (NCLEX-RN) for licensure as a Registered Nurse (RN), and may continue on to enroll in a baccalaureate degree in a nursing (BSN) program offered at select four-year institutions.

Applications will be accepted no later than 5:00 pm February 15, 2018
APPLICATION PROCESS – ADN

The following must be received by the application deadline: 5:00 pm Thursday, February 15, 2018.

1. **Apply to San Juan College** if not a SJC student, and complete admission enrollment process as a SJC student. The college application can be completed in person or online: [http://www.sanjuancollege.edu/student-services/departments/enrollment-services/admissions/](http://www.sanjuancollege.edu/student-services/departments/enrollment-services/admissions/)

2. Submit **official transcripts** from all schools attended or currently attending to the **San Juan College Enrollment Services** (Admission and Records Office), 4601 College Blvd., Farmington, NM 87402. Prior college transcripts will be evaluated for possible transfer credit. If you have previously submitted official transcripts to SJC and have not attended school at that location since last sending transcripts for evaluation, do not request official transcripts be sent again to SJC. An updated official transcript will need to be requested at the end of the fall 2017 semester if course work is completed at a college other than San Juan College. Do not send official transcripts to the SJC nursing department. It is student responsibility to confirm that all requested official school transcripts have been received by SJC Admissions.

3. All transcripts must be **received** by the February 15, 2018 deadline. Transcripts received after the application deadline may not be processed for prerequisite completion.

4. Submit a current completed **San Juan College ADN Nursing Program Application to the San Juan College Nursing Department**. The application can be submitted in person during business hours or by postal mail at any time during the current open application period (October 15, 2017 – February 15, 2018). Fax or email application submissions will not be accepted.

5. If you are **reapplying** to the SJC nursing program, a new nursing application is required.

6. Complete all **prerequisite courses** (17 credit hours) by the end of the fall 2017 semester. If you have transfer credit courses, verify credit has been posted to your SJC as applicable.

7. Complete the **TEAS Exam** for the nursing program and **submit score results to the SJC Nursing Department**. All applicants are required to have current test scores for the application period. Previous scores may be eligible if taken during the prior spring application period but only the two most recent scores will be considered for the current application period. Students re-applying to the program will be required to retest if prior spring application score is below the minimum eligibility score. Topics for this exam include reading, math, science, English and language usage. Study guides are available in the SJC Bookstore or can be ordered on the ATI (Assessment Technologies Institute) website: [http://www.dditesting.com](http://www.dditesting.com). Additional preparation resources include practice exams and TEAS online study course available through the ATI website and tutoring assistance in the San Juan College Student Success Center. The exam may be taken once per test period and early scheduling of testing date is strongly recommended. Testing seats are limited. Testing dates may be scheduled during:

   **First testing period:** Wednesday, October 25, 2017 – Saturday, November 18, 2017
   **Second testing period:** Wednesday, January 17, 2018 – Thursday, February 15, 2018

   Verify exam being scheduled and administered on test day is the **TEAS for nursing** exam. Instructions for scheduling the TEAS for nursing exam:
   **On-Campus testing:** provided in the San Juan College Testing Center. Applicants will need to establish an ATI account prior to testing: [http://www.dditesting.com](http://www.dditesting.com). Print unofficial score results through the student ATI account for submission to the nursing department. Unofficial scores are not printed from the Testing Center. Official scores will be obtained by the nursing department if testing in SJC testing center and matched with submitted unofficial scores. On-Campus Testing Step-by Step Guide: Health Science Entrance Exam – TEAS for Nursing, [http://www.sanjuancollege.edu/student-services/departments/testing-center/health-science-entrance-exam/](http://www.sanjuancollege.edu/student-services/departments/testing-center/health-science-entrance-exam/)

   **Schedule testing date through the SJC Testing Center:** [www.sanjuancollege.edu/test](http://www.sanjuancollege.edu/test). Testing date can also be scheduled by phone: 505-566-3139 or in person (located on first floor of Information Technology Center)

   **Off-Campus Site testing:** provided through the San Juan College Testing Center. Additional testing centers can be located through the Consortium of College Testing Center: [http://www.ncta-testing.org/cctc/index.php](http://www.ncta-testing.org/cctc/index.php). If scheduling the exam at a testing center that will not be conducted through the San Juan College Testing Center, the applicant will
need to request an official score result transcript(s) to be submitted to SJC Nursing Department. Applicants will need to establish an ATI account prior to testing: http://www.atitesting.com. Request official TEAS Transcript(s) through the ATI online store: Unofficial score results for all off-campus site testing are to be submitted to the nursing department and can be printed through the student ATI account. Official scores are matched with the unofficial scores. Off-Campus Site Testing Step-by Step Guide: http://www.sanjuancollege.edu/student-services/departments/testing-center/health-science-entrance-exam/ Scroll to: Exam Taken at Another Institution for Admission to SJC programs – ATI Off-site Testing TEAS. Complete testing form if testing through SJC Testing Center.

8. Activate San Juan College email address: https://www.sanjuancollege.edu/administrative-services/ots/student-email/ Notices, important updates or questions may be sent through your official SJC student email account regarding your application from the nursing department advisor panekj@sanjuancollege.edu. If you do not include your SJC email on your nursing application or routinely check your email, important information and instructions will be missed that could affect completion of the application process and application eligibility.

ADN PROGRAM SELECTION REQUIREMENTS
To be eligible for the nursing program selection process, the following program requirements must be completed by the current application deadline:

1. Be enrolled as a San Juan College student.

2. Completed all ADN prerequisite courses (17 Credit hours).

<table>
<thead>
<tr>
<th>Application ADN Prerequisite Course Requirements</th>
<th>Credit Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>Basic Science Course – Minimum 1 of 3 science courses:</td>
<td>4</td>
</tr>
<tr>
<td>BIOL 121 Introductory Biology I (or)</td>
<td></td>
</tr>
<tr>
<td>CHEM 110 Introductory Chemistry (or)</td>
<td></td>
</tr>
<tr>
<td>BIOL 224 Microbiology</td>
<td></td>
</tr>
<tr>
<td>ENGL 111 Freshman Composition</td>
<td>3</td>
</tr>
<tr>
<td>PSYC 120 Introduction to Psychology</td>

</tr>
<tr>
<td>BIOL 252 Human Anatomy &amp; Physiology I</td>
<td>4</td>
</tr>
<tr>
<td><strong>Total Prerequisite Credit Hours</strong></td>
<td><strong>17</strong></td>
</tr>
</tbody>
</table>

3. Achieved a minimum cumulative GPA of 2.75 in the ADN 17 credit hour prerequisite courses. The GPA requirement must be fulfilled at the end of the fall 2017 semester prior to the application deadline. All prerequisite courses require a minimum grade of ‘C’.

4. Achieved a minimum overall cumulative GPA of 2.0. The GPA requirement must be fulfilled at the end of the fall 2017 semester prior to the application deadline.

5. Taken the ATI TEAS for nursing (Test of Essential Academic Skills) for nursing exam and obtained the minimum eligible Total Score of 58.7%. Only official transcript score results will be used for selection point calculation. All applicants are required to have current test scores for the application period. If an applicant has tested during both current testing periods or has two scores within the total eligible time frame, the higher of the two most recent scores will be used for calculation. Exam scores submitted that were taken outside of the current testing timelines are not eligible.

6. Submitted a current complete ADN nursing program application to San Juan College Nursing Department. Note: If reapplying for selection, a new application is required. Applications received in the nursing department after the application deadline will not be eligible for the selection process.

7. Submitted all official school transcripts to San Juan College Enrollment Services.
Selection of students to the San Juan College nursing program is based on a point system. Students are ranked according to total points. Nursing Program slots are filled beginning with the highest ranking students. Completing all requirements does not guarantee acceptance to the ADN Program. Selection points are awarded based on the following:

1. **GPA.** GPA is calculated from grades achieved in the required 17 credit hour prerequisites. 40% of points will be awarded based on the cumulative 17 credit hour prerequisite GPA.
2. **ATI Test of Essential Academic Skills (TEAS) for nursing Total score.** 50% of points will be awarded based on the highest eligible Total Score.
3. **ATI Test of Essential Academic Skills (TEAS) for nursing Proficiency score:** 3% of points will be awarded based on achievement of a Total Score of 64% or higher.
4. **Residence Status:** 2% of points will be awarded based on San Juan County residence status OR American Indian status OR completion of a minimum of one SJC Health Care Certificate.
5. **San Juan College Student Status.** 3% of points will be awarded to San Juan College students who have completed a minimum of 12 of the required 26 application prerequisite credit hours at San Juan College.
6. **Science GPA.** 2% of points will be awarded for a combined 3.5 GPA or higher based on 8 credits in basic and health science courses.

The total points of the aforementioned selection components are calculated as follows:

- **GPA calculation:**
  \[
  \text{GPA} = \frac{\text{P} - 2.0}{2.0} \quad \text{Points for GPA} = P \times 400
  \]

- **TEAS for Nursing Pre-Admission Examination:***
  \[
  \text{Total Score} \times \frac{500}{100} = \text{Points for TEAS}
  \]

- **TEAS for Nursing Pre-Admission Examination Proficiency:**
  - Total Score 64% or higher = 30 Points
  - Total Score 58.7% to 63.9% = 0 Points

- **San Juan County Residence Status:**
  - In-county residency status or American Indian status or Health Care Certificate = 20 Points
  - Out-of-county residence, non-American Indian status, non-completion of Health Care Certificate = 0 Points

- **San Juan College Student Status:**
  - 12 or more prerequisite course credit hours completed at SJC = 30 Points
  - Less than 12 prerequisite course credit hours completed at SJC = 0 Points

- **Science GPA:**
  - Combined GPA of 3.5 or higher from 8 credits in basic and health science courses = 20 Points
  - Less than 3.5 combined GPA from 8 credits in basic and health science courses = 0 Points

**SUM OF COMPONENTS = TOTAL POINTS**
ACCEPTANCE

Students will be notified of nursing program acceptance status through postal mail in April 2018 for a fall (August) 2018 program entry. Applicants who have not met the basic program eligibility requirements will also be contacted by mail regarding their status.

When selected students have confirmed program acceptance, a detailed nursing admission information packet will be provided with specific instructions and guidelines regarding the requirements (i.e., immunizations, CPR, criminal background check/fingerprinting, etc.) to be completed prior to starting the Nursing Level 1 Semester courses. Selected students are required to attend a one day Summer Institute Orientation at San Juan College in July/August 2018 prior to the fall semester start date and the scheduled date will be included in the admission packet.

Students accepted into SJC ADN Nursing Program maintain selection status by completing all Nursing Level 1 course post selection program entry requirements and maintain the minimum GPA of 2.0 post selection for entry into the Nursing Level 1 semester. A grade of “C” or higher must be achieved in every course in the nursing curriculum.

ADN PROGRAM COSTS (ESTIMATED*)

Preadmission Testing Fees (ATI TEAS) SJC On-Campus
Study Manual – SJC Bookstore
First Testing Period Exam
Second Testing Period Exam
College Application Fee - SJC
Nursing Program Application Fee - SJC
SJC Tuition and Credit Hour Fees: (NM Resident)
Application Prerequisites (17 Credit Hours)
First Year: Level 1 and 2 Semesters (30 Credit Hours)
Second Year: Level 3 and 4 Semesters (24 Credit Hours)
SJC Tuition and Credit Hour Fees: (Non-NM Resident)
Textbooks/Packets*
Level 1 and Level 2
Level 3 and Level 4
Physical Examination & Immunizations/Titers***
Uniforms, Shoes, Instruments*
Testing Resources*
Level 1 and Level 2
Level 3 and Level 4
Program Fees*
NCLEX-RN Licensing Exam* (Not administered by SJC)

* All costs are approximated projected costs and actual costs may vary by date of program entry
** Physical Examination & Immunization/Titer costs may range from $250 to $500.00

Additional fees may apply related to criminal background checks and fingerprinting.

Students are required to have and maintain health insurance for the duration of the program. Health plans vary in costs and are not included in the estimated cost listed above.

Students are not required to maintain personal liability insurance. Students accepted into the nursing program will be required to complete a criminal background check screening and complete/maintain CPR certification, physical examination, immunizations and travel arrangements to clinical sites.
ESSENTIAL FUNCTIONS

Applicants and students should be able to perform these essential functions with or without reasonable accommodations. Accommodations include the use of compensatory techniques and/or assistive devices in order to demonstrate ability to become proficient in these essential functions.

<table>
<thead>
<tr>
<th>ESSENTIAL FUNCTION</th>
<th>TECHNICAL STANDARD</th>
<th>SOME EXAMPLE OF NECESSARY ACTIVITIES (not all inclusive)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Decision-Making</td>
<td>Critical Thinking ability sufficient for clinical judgment</td>
<td>Identify cause-effect relationships in clinical situations; evaluate patient or instrument responses; synthesize data; draw sound conclusions and make accurate inferences based on the collection and interpretation of data.</td>
</tr>
<tr>
<td>Interpersonal Skills</td>
<td>Interpersonal abilities sufficient to interact with individuals, families, and groups from a variety of social, emotional, cultural and intellectual backgrounds</td>
<td>Establish rapport with patients and colleagues; use therapeutic communication (attending, clarifying, coaching, facilitating, teaching); function (consult, negotiate, share) as a part of a team.</td>
</tr>
<tr>
<td>Communication Ability</td>
<td>Communication abilities sufficient for effective interaction with others in spoken and written English</td>
<td>Explain treatment procedures; initiate health teaching; document and interpret instructions; Listen attentively.</td>
</tr>
<tr>
<td>Physical Endurance</td>
<td>Remain continuously on task for several hours while standing, sitting, moving, lifting, and/or bending</td>
<td>Manually resuscitate patients in emergency situations or stand/walk for extensive periods of time.</td>
</tr>
<tr>
<td>Mobility</td>
<td>Physical abilities sufficient to move from room to room and maneuver in small spaces; full range of motion; manual and finger dexterity; and hand-eye coordination</td>
<td>Move around in patient’s rooms, workspaces and treatment areas.</td>
</tr>
<tr>
<td>Motor Skills</td>
<td>Gross and fine motor abilities sufficient to provide safe and effective patient care and operate equipment</td>
<td>Calibrate and use equipment; transfer and position patients or lift and operate equipment with necessary strength and dexterity. Accurately complete motor skills within an established, safe timeframe designated for the skills performed</td>
</tr>
<tr>
<td>Adequate Height</td>
<td>Ability to reach and operate overhead equipment</td>
<td>Turn wall mounted monitors/gauges on and off.</td>
</tr>
<tr>
<td>Hearing Ability</td>
<td>Auditory ability sufficient to monitor and assess health needs</td>
<td>Hear monitor alarms, emergency signals, auscultatory sounds; cries for help.</td>
</tr>
<tr>
<td>Visual Ability</td>
<td>Normal or corrected visual ability sufficient for patient observation and assessment, ability to discriminate between subtle changes in density (black to gray) of a color in low light</td>
<td>Observe patient/responses, secretions, and color; read thermometer, chart, computer screen, digital printouts, label and gauges.</td>
</tr>
<tr>
<td>Tactile Ability</td>
<td>Tactile ability sufficient for physical assessment</td>
<td>Perform palpation, functions of physical examinations and/or those related to therapeutic intervention.</td>
</tr>
<tr>
<td>Olfactory Ability</td>
<td>Olfactory senses (smell) sufficient for maintaining environmental and patient safety</td>
<td>Distinguish smells which are contributory to assessing and/or maintaining the patient’s health status or environmental safety (fire).</td>
</tr>
<tr>
<td>Professional Attitude and Demeanor</td>
<td>Ability to present professional appearance and implement measures to maintain own physical and mental health, and emotional stability.</td>
<td>Work under stressful conditions and irregular hours; be exposed to communicable diseases and contaminated body fluids; React calmly in emergency situations; demonstrate flexibility; show concern for others.</td>
</tr>
</tbody>
</table>

Note: Students requiring reasonable accommodations must contact the SJC Advising/Counseling Center (505-566-3404). https://www.sanjuancollege.edu/student-services/departments/advising-and-counseling-center/disability-services/
## ADN PROGRAM CURRICULUM

APPLICATION CHECK LIST

DO NOT RETURN – This is for your use.

HAVE YOU:

Submitted application to San Juan College and followed the college admissions guidelines? (You must be admitted to San Juan College in order to apply to the nursing program)

______

Requested all previous and/or updated official transcripts from all schools attended be sent to San Juan College Enrollment Services for evaluation? (You may want to verify they have been received by San Juan College Enrollment Services from the sending school)

______

Successfully completed all prerequisite courses with a grade of "C" or higher by the end of the fall semester?

______

Completed all areas on the nursing application with signatures in all areas?

______

Submitted nursing application to the nursing department either in person or by postal mail prior to application deadline?

______

Completed the TEAS exam for nursing and submitted your unofficial results to the SJC nursing department?

______ Test #1 ______ Test #2

Requested your TEAS exam results be sent to the SJC nursing department if testing at a location other than San Juan College Testing Center? (if Off-Campus testing has been completed through the San Juan College Testing Center, separate scores do not need to be requested from ATI).

______

Requested your TEAS exam results be sent to the SJC nursing department if testing at a location other than San Juan College Testing Center? (if Off-Campus Testing has been NOT been completed through the San Juan College Testing Center, official scores will need to be requested from ATI and a copy of unofficial score will need to be provided to SJC nursing dept.).

______

Reviewed the Essential Functions?

______

Reviewed estimated projected costs of program?
