

ANNUAL PROGRAM APPLICATION FOR THE SCHOOL OF ENERGY

Lease Operator (LSOP) & Natural Gas Compression (COMP) Associate of Applied Science Degree (AAS) & Certificate Programs:

Students seeking to enter the LSOP or COMP program for a certificate or AAS degree must **FIRST** complete the **San Juan College Application for Admission** AND this **Annual Program Application** (including all required documentation) prior to **May 15** for consideration for the following fall semester. LSOP and COMP are selective programs with a maximum of 32 seats available (16 for each program) only to those who successfully complete and pass the application/screening process. You cannot declare the LSOP or COMP major until accepted.

Applicant's Information

Name: _____ Date: _____

Address: _____

City: _____ State: _____ Zip: _____

Email address: _____

Telephone(s): Home _____ Work _____ Cell _____

Do you prefer to be contacted by email or phone? _____

I am applying for (please check **all that apply**):

- Lease Operator (LSOP) AAS degree program
- LSOP Certificate program
- Natural Gas Compression (COMP) AAS degree program
- COMP Certificate program
- re-entry after a leave of absence from an earlier admission date

Residency

Are you a resident of San Juan County, NM? Yes No (if Yes, skip next question)

Are you a resident of Montezuma, Archuleta, Dolores, or San Juan County, Colorado? Yes No

In keeping with the community mission of San Juan College, those applicants that meet residency status will be given preference in the application process.

Background/Record in past 7 years:

Have you been convicted of a felony? Yes No

Have you been convicted of a DWI/DUI? Yes No

Individuals with a felony record may have limited employment opportunities in the oil and gas industry.

Drug Testing

Are you willing to take a drug screening test? Yes No

Most employers require pre-employment drug screening. Full-time employees are subject to random testing. Students accepted into the LSOP and COMP programs are subject to employer drug screening prior to OJT (on-the-job training).

Do you have any physical limitations that would prevent you from:

lifting up to 50 pounds? Yes No

sitting for at least 2 hours? Yes No

driving in off-road conditions? Yes No

Short-answer Questions to be completed by the applicant

The selection committee would like to know more about you and why you have chosen to apply for this program. Please **type** your complete answers to the following questions (on a **separate piece of paper**). Use a size 12 standard font, and single or double space. Staple your numbered answers to your completed application.

1. Describe what you already know about the career in which you are interested. What does a Lease Operator do? Or what does a Compression Technician do?
2. Based on what you know about the oil and gas industry, what are the three most important skills a field technician should have? Explain.
3. What 3 words or phrases best describe you (as a student and/or as an employee)? Explain briefly using examples.
4. What got you interested in applying for this program? How did you hear about the School of Energy?
5. What are your long-term goals?

Required Steps

I understand that it is my responsibility to submit all required documentation by May 15, no exceptions, and that even a complete application does not guarantee an interview for selection into the program.

- Apply to San Juan College using the San Juan College Application for Admission form, available online
- Submit this School of Energy COMP/LSOP Program Application form to the School of Energy, with:
 - unofficial college transcripts (if applicable)
 - MVD driving record, last 7 years
 - Accuplacer Test scores
 - 2 reference forms (provided), not from family
 - Typed short answers

Read before signing

I understand that admission to the LSOP and COMP programs are competitive and applicants are ranked and screened for an interview. The following 100-point criteria will be used in the selection process:

- 10 pts success in prior college coursework (transcripts required) and/or Accuplacer Test scores
- 60 pts quality of written answers to the 5 application questions
- 30 pts letters of reference
- 5 pts bonus for residency

I certify this application is true and that I am solely responsible for my answers. By signing below, I give permission to San Juan College to conduct a criminal background check. Any false statements knowingly submitted will result in my being removed from consideration for acceptance into the program.
