

Registering on the Thinkwell Server

**Math 096-600
Introductory Algebra
Spring 2010
Instr: Vernon Willie**

Thinkwell Server Registration will begin on Monday, January 4th, 2010. You will not be allowed to register any earlier on the Thinkwell Server.

PREREQUISITE	*PREREQUISITE*	*PREREQUISITE*
For This Course:	Successful completion in Math 095; Pre-Algebra with a grade of “C” or higher or ACCUPLACER placement into Math 096; Introductory Algebra or higher.	

Students registering for this course both with SJC & Thinkwell are stating that they DO meet the SJC prerequisite. Those students found registered for the course & DO NOT meet the prerequisites will be dropped immediately.

Congratulations! If you have received this attachment, you have currently registered for Math 096-600 through San Juan College. There are a few items that we would like to clarify before we go on to additional required registration...

Most importantly, students must recognize that **THIS IS NOT an ANGEL course!!** Meaning, **you will not find this course on ANGEL or on the San Juan College website or server!** This course: Math 096-600 has a totally different server which is based in Austin, TX.

It is the Student’s responsibility to register on-time for this course and be prepared!! If you register (online) after the course has started (Jan. 11th), you will automatically fall behind and may miss some important deadlines. Again, I cannot stress enough; It is the Student’s responsibility to register on-time for this course and be prepared!!

Let me inform you on the registration procedures further down this document.

In order to register for the course, students must first purchase the “Beginning Algebra Online Subscription” and “Beginning Algebra Workbook”.

Purchasing the Access Code & Workbook

There are two ways students can purchase the Online Subscription & Workbook:

1.) Students can purchase directly from www.thinkwell.com:

Trust me, this is QUICKER & MUCH FASTER!! ← The BEST Option!!

Students will have immediate access to the videos and website upon purchase by ordering directly at www.thinkwell.com

Do this immediately so that your workbook will be mailed to you. **You must have a credit (or debit) card in order to purchase online, (if you do not have a credit/debit card, go to Option 2).** If you decide to order online, do this immediately so that you will have your workbook prior to classes starting. Place your order one full week BEFORE classes start (Jan. 11th) so that you will be ready to go.

When you purchase your material on the Thinkwell website, it will also automatically assist you (show you steps) on how to register/sign up for the course so that you will have immediate access!! This is very helpful. Read below to get an idea of how this all works:

Registering on the Thinkwell Website

Registering for the course is pretty simple and requires just a few steps.

- Purchasing the material online at the Thinkwell website:

Have your credit card (debit card) ready.

Go to the Thinkwell website. You should see an orange box that says, “Student”. In that same box, there is the following button: . Click on that button and a menu of products will appear.

Look under the mathematics section and click on “Beginning Algebra”. This will prompt you to materials provided.

You will need to purchase the “Beginning Algebra” - Online Subscription and Workbook. Thus, click on the  button for the “Beginning Algebra” - Online

Subscription. Then click on the  button so that you may go back and add the “Beginning Algebra – Workbook” to the cart. **Make sure the items you add to the cart states they are “Beginning Algebra” material . . .** otherwise, you may end up purchasing the wrong items.

Check your cart and if all is correct, click on the “Check Out” button.

At the next window, you should see the following orange arrow button,

Select the one that states, “ Classroom Registration”.

Once you do this, a few drop-down windows will appear:

- Select a State – Make sure you select, “New Mexico”.
 - Select a School – Make sure you select, “San Juan College”
 - Select Course/Section – Make sure you select, “Introductory Algebra – Vernon Willie”
- Continue to follow the instructions and you will be at a page that will ask you for “Account Information”. This is where you will be required to give a password and confirm a password to log in to the course. Continue to fill out the required information and soon you will be registered for the course and added to the Thinkwell server! It’s that simple!
 - **IMPORTANT:** Once you are registered for the course online, you have access to the website and can begin on the first day of class, Monday January 11th, 2010. **DO NOT PANIC IF YOU DO NOT GET THE WORKBOOK** by Monday, January 11th!! The workbook is to assist you as a reference book and a reference book only. It is not needed for the first week of classes and you will be okay if you do not get it by the second week . . . the **IMPORTANT** portion is the **ONLINE ACCESS!!** That is where **ALL** the work will be done.

OR

- 2.) **You can purchase Thinkwell through the San Juan College Bookstore.** The product will be located behind the checkout counters. It is best to purchase the material one full week before the course begins!! This will allow you plenty of time to register with Thinkwell, review the material and be prepared for the class to begin. Ask one of the cashiers for assistance and they will get you the textbook along with the Online Subscription code which will be hidden until opening the package. Long distant students can be sent the information from the bookstore upon request or order the information through www.thinkwell.com. **DO NOT OPEN THE PACKAGE YET!!** If you open the package and decide not to take the course or ordered the wrong package, you will not be refunded your money.

San Juan College Bookstore

Hours of Operation:

Monday-Thursday - 8am - 6pm

Friday - 8am - 5pm For more information contact:

The Bookstore at 505-566-3260

You will need to purchase the following item from the SJC Bookstore:

ISBN: 1-605538-001-6

“Beginning Algebra w/Workbook – *Online Pkg (Retail Package + Print Companion)*

Note: Once you break the seal and open the package, there is NO REFUND whatsoever! So, make sure you have the correct package.

****Again, it is the Student's Responsibility to be successful in this course!!****
