7. 2026 Dental and Vision Benefits for Participants in SJC Retiree Healthcare Trust

The State of New Mexico group benefits plan, managed by the New Mexico Health Care Authority, provides dental and vision insurance to active employees. The State of New Mexico plan does not permit retiree participation, thus participants in the San Juan College Retiree Healthcare trust will be provided dental and vision coverage as follows:

Delta Dental and Vision Service Plan (VSP) will continue to provide dental and vision insurance coverage to both Post-65 and Pre-65 years of age retirees.

- 1) The Delta Dental plan will continue to be offered to all SJC Health Care Trust participating retirees. Retiree participants will receive an increase of 0% in dental premiums. These rates will be in effect for a 1-year contract.
- 2) The Vision Service Plan (VSP) will continue to be offered to all SJC Health Care Trust participating retirees. Retiree participants received an increase of **2% in vision premiums**. These rates will be in effect for a 2-year contract, and there will be no rate increase through 12/31/2027.

8. 2026 Medical Benefits for Participants in SJC Retiree Healthcare Trust

The State of New Mexico group benefits plan, managed by the New Mexico Health Care Authority, provides dental and vision insurance to active employees. The State of New Mexico plan does not permit retiree participation, thus participants in the San Juan College Retiree Healthcare Trust will be provided health coverage as follows.

The College's current carrier for Post-65 (years of age) Medicare-eligible retirees is the Humana Advantage Plan. In 2018, the College engaged in a competitive bid process to solicit bids from carriers with a coverage solution for its Post-65 retirees. Humana was selected as the carrier to provide health insurance coverage solutions for the College's Post-65 retirees. Humana is willing to extend the College's contract to cover Post-65 retirees.

The current SILVER level coverage will have an annual increase in premiums of **5.96% percent**. The current BRONZE level coverage will be an annual increase in premiums of **5.96% percent**.

Retirees will have the choice to continue retiree medical care under the SILVER or BRONZE option.

Estimated total cost for the College for the coverages described above will not exceed **\$243,165.78**.

Recommendation

I recommend the Board of Trustees approve Humana as San Juan College's health insurance benefits for Post-65 participants in the College's Retiree Healthcare Trust for calendar year 2026 as herein described.

9. 2026 Medical Benefits for Pre-65 Years of Age Participants in SJC Retiree Healthcare Trust

On September 5, 2017, the San Juan College Board of Trustees approved the College Administration's recommendation to return active employee health benefits to the State of New Mexico group benefits plan, managed by the New Mexico Health Care Authority. Because the state group plan does not permit retiree participation, Pre-65 years of age participants in the San Juan College Retiree Healthcare Trust will be provided healthcare coverage as follows:

- 1) For plan year 2026, Pre-65 (years of age) retirees and dependents residing in the state of New Mexico will be covered by individual medical policies written by Blue Cross/Blue Shield. Eight silver and bronze coverage plan options will be offered. Participating pre-65 retirees will choose the option that best suits his/her needs.
- 2) Pre-65 retirees and dependents residing outside the state of New Mexico will be offered silver and bronze coverages available from various individual insurance plans offered within their state of residence.

Pre-65 rates for plan year 2026 are currently affected by discontinued health insurance exchange subsidies. The cost to San Juan College is estimated to increase by approximately twenty-nine percent (29%) from plan year 2025.

Estimated total cost for the college for the plan year 2026 coverages described above will not exceed **\$159,125.96**.

Recommendation

I recommend that the Board of Trustees approve San Juan College's provision of calendar year 2026 health insurance benefits to Pre-65 years of age participants in the College's Retiree Healthcare Trust as herein described
