To this end, the College has established the Behavioral Intervention Team (BIT). The BIT is responsible for monitoring behaviors of concern and providing caring, preventive, early intervention with individuals whose behavior is disruptive or concerning. Campus safety is the goal. The Team consists of an interdisciplinary committee of qualified college officials who meet bi-weekly or more often to review reports and monitor behaviors which have the potential to negatively impact the college environment. When such behaviors are identified, the Team will provide purposeful and timely interventions in order to maintain a safe campus environment conducive to learning and achieving academic success. BIT reporting is for non-emergency situations only. In the event of an emergency call 911 immediately.

1. online at http://www.sanjuancollege.edu/bit/
2. email at bit@sanjuancollege.edu
3. by phone at 505-566-3020

Reports are confidential. The reporting person is only contacted in the event additional information is required. The person of concern will be contacted if deemed appropriate after the team discusses the information and decides on the best approach.

Typical behaviors that should be reported include, but are not limited to:

INTRODUCTION
San Juan College believes that the basis for personal and academic development is honesty. Personal commitment, honest work, and honest achievement are necessary characteristics for an educated person. In order to help the students, staff, and faculty of San Juan College maintain academic honesty, it is necessary to establish academic honesty rules. These rules will govern the procedures and consequences associated with academic dishonesty and will serve as an educational tool, outlining what is academically dishonest conduct. It is the individual responsibility of each student, faculty member, and administrator to read and understand these rules. It should be further understood that ignorance of what constitutes academic dishonesty in no way absolves guilt from an act which lacks academic integrity. The following rules shall present definitions for several types of academic dishonesty and then proceed to describe the process by which cases of academic dishonesty are reported and adjudicated.

TYPES OF ACADEMIC DISHONESTY
A. Cheating: Using materials, information, or study aids other than those specifically authorized by the instructor during exams, quizzes, or other graded, in-class activities. Cheating includes, but is not limited to:
- Copying or conspiring to copy another student’s work
- Intentionally allowing another student to copy one’s work
- Unauthorized use of a textbook, cheat sheet, notes, etc.
- Unauthorized use of devices such as calculators, cell phones, etc.
- Obtaining answers to specific test questions from another student before ordering an exam
- Taking an examination or completing an assignment for another student or commissioning someone to take an exam or complete an assignment for oneself

B. Plagiarism: Using another person’s or group’s words, ideas, or data as one’s own. To avoid plagiarizing, a student must give credit through footnotes, citations, or proper quotation structure when he/she uses:
- Another person’s idea, opinion, or theory
- Any pieces of information that are not common knowledge such as facts, statistics, graphs or drawings
- Quotations and/or paraphrases of another person’s actual spoken or written words, including lectures, classroom discussions, and handouts
- Another person’s data, solutions, or calculations without permission and/or proper citation of the source

Ignorance of plagiarism is not a legitimate defense against a charge of plagiarism. It is the responsibility of a college student to know what constitutes plagiarism. Any questions about what constitutes plagiarism should be discussed with the faculty member who gave the assignment.

C. Fabrication: Knowingly giving false data, false information, false sources, or false testimony in laboratory work, field activities, research projects, or writings submitted for academic credit. Fabrication also involves:
- Giving false testimony or information in an attempt to excuse missing academic assignments or examinations
- Changing examination answers or assignments after they have been graded, in an attempt to illegitimately earn a higher grade

D. Other Acts of Academic Dishonesty include, but are not limited to:
- Stealing or attempting to steal exams, answer keys, or official academic records, etc.
- Forging or altering academic records, grade change cards, attendance records, or signatures, etc.
- Unauthorized collaboration, particularly on take-home exams, without instructor permission
- Facilitating academic dishonesty by knowingly or intentionally helping another student commit any act of academic dishonesty
- Intentionally impairing the performance of other students (i.e. denying access to information, resources, or material made available for general class use; giving misleading information; destroying or altering materials, including computer files)
- Submitting all or part of one’s work from one class for use in another without instructor permission
- Falsely signing in or out on a PC that tracks actual lab hours

LEVELS OF ACADEMIC DISHONESTY
A. Level One Academic Dishonesty Infractions

Minor infractions that do not significantly affect the student’s overall grade constitute Level One infractions.

- A Level One infraction cannot be the primary cause of course failure.
- A Level One infraction cannot lead to expulsion.

  - Level One incident is noted by the instructor and discussed with the student. If the instructor feels disciplinary action is necessary, the incident is documented by the instructor and issued through a notice of violation to the student within five business days of when the occurrence is discovered. The student is notified in that notice of violation to meet with the instructor within 72 hours to discuss the incident. Following that discussion, the instructor then files a report within 48 hours with the appropriate Dean and the involved student regarding the incident and his/her final determination of the violation with discipline measures, if any, included. The student may file a written letter to appeal that determination with the Dean within 72 hours after receipt of the report. The Dean will set the appeal hearing with the student and any other witnesses and will render a final decision based on that hearing.

Examples of Level One Infraction:

- Claiming to participate in group work and not doing so
- Minor amounts of plagiarism involving the failure to footnote or give proper acknowledgment in an extremely limited section of an assignment or failing to cite all sources in a bibliography or Works Cited page
- Cheating on minor quizzes that do not significantly affect the student’s overall grade

Possible Disciplinary Actions:

- Make-up assignment
- Redo assignment for a lesser grade
- Chance to rewrite assignment
- No credit for the assignment

B. Level Two Academic Dishonesty Infractions

Infractions characterized by dishonesty of a more serious character or which affect a more significant aspect or portion of the coursework are Level Two infractions.

- A Level Two infraction cannot result in expulsion from the institution.
- The record of a Level Two infraction will be kept for two years by the appropriate Dean and the Office of the Registrar.

  - The student will be placed on disciplinary probation for a period of two years.
  - Level Two incident is documented by the instructor and issued through a notice of violation to the student within five business days of when the occurrence is discovered. The student is notified in that notice of violation to meet with the instructor within 72 hours to discuss the incident. Following that discussion, the instructor then files a report within 48 hours with the appropriate Dean and the involved student regarding the incident and his/her final determination of the violation with discipline measures, if any, included. The student may file a written letter to appeal that determination with the Dean within 72 hours after receipt of the report. The Dean will set the appeal hearing with the student and any other witnesses and will render a final decision based on that hearing.

Examples of Level Two Infractions:

- Fabricating a paper
- Plagiarizing moderate portions on a written assignment
- Altering exams for the purpose of re-grading
- Presenting the work of another as one’s own
- Cheating on an exam

Possible Disciplinary Actions:

- Failing grade on assignment
- Reduction of course grade, including failure of course
- Additional options as approved by Dean and instructor

C. Level Three Academic Dishonesty Infractions

Infractions that are a serious breach of academic honesty and affect a major or essential portion of work done to meet course requirements are Level Three infractions. Incidents that involve premeditation or are preceded by one or more Level Two infractions are also Level Three infractions.

- The record of a Level Three infraction will be kept on file permanently.
- The notation of “Academic Disciplinary Separation” will remain permanently on file in the following offices:
Registrar, appropriate Dean, and Vice President for Student Services.

- A Level Three incident is documented by the instructor and issued through a notice of violation to the student within five business days of when the occurrence is discovered. The student is notified in that notice of violation to meet with the instructor within 72 hours to discuss the incident. Following that discussion, the instructor then files a report within 48 hours with the appropriate Dean and the involved student regarding the incident and his/her final determination of the violation with discipline measures, if any, included. The student may file a written letter to appeal that determination with the Dean within 72 hours after receipt of the report. The Dean will set the appeal hearing with the student and any other witnesses and will render a final decision based on that hearing.

Examples of Level Three Infractions:
- Plagiarizing major portions of written assignments
- Collaborating before an exam to develop methods of exchanging information and implementing those plans
- Using a purchased paper, exam, or other materials
- Stealing or selling an exam, exam answers, a paper, or official academic records
- Intentionally impairing another student’s performance
- Having a substitute take an exam or taking an exam for someone else
- Forging or altering any academic records

Possible Disciplinary Actions:
- Suspension
- Expulsion, Academic Disciplinary Separation
- Failure of the course, with notation “Academic Disciplinary Separation”

**NOTICE OF VIOLATION OF ACADEMIC HONESTY**

San Juan College instructors will use the “notice of violation of academic honesty” form for all levels of alleged academic dishonesty. The exception to this will be Level One violations in which the instructor feels no documentation or follow through is necessary. The instructor will complete the form, which provides for the following:

1. A description of the academic dishonesty involved
2. Evidence of the violation to include:
   a. Name of course
   b. The assignment, examination, or project
   c. Date work was due, presented, taken, or performed
   d. Information used to establish the violation, witness names not disclosed
3. Violation level
4. Proposed penalty
5. Signature of student(s) indicating receipt of form and date
6. Statement of student(s) to instructor
7. Recording date of meeting with student and instructor
8. Appeal to appropriate Dean by student, date set for hearing
9. Decision by Dean concerning appeal.

In the case of Level One academic dishonesty, the instructor will hold the material relative to the case. In cases of Level Two and Level Three academic dishonesty where the Dean upholds the decision of the instructor, copies of the documents will be sent to the Vice President for Learning and the Vice President for Student Services to be made part of the student(s) permanent record.

The decision will not be reflected on the student official transcript. In all cases, any materials are considered confidential in nature and handled accordingly.

**COMPLAINTS**

Students wishing to submit written complaints regarding college student service issues may do so with the Vice President for Student Services. Students should first follow any documented procedures for handling of concerns as covered in this Student Handbook or the Academic Catalog before submitting concerns to the Office of Vice President. Grade appeals are
not covered under this complaint section, all grade appeals should follow the outlined grade appeal process as listed.

**GRADE APPEALS POLICY**

Please refer to [http://catalog.sanjuancollege.edu](http://catalog.sanjuancollege.edu) and select Grades.

**CLASS EXPECTATIONS - STUDENT ATTENDANCE - CHILDREN, PETS & CELL PHONES**

All students will receive the following information the first day of classes:

- A topical outline of the course
- Requirements of the course
- Grading system to be used
- Attendance policy for the course (also see below)
- Process required in taking examinations
- Process required by which students will receive grades

Students who start a class after the first class meeting must request a class expectations handout from the instructor. Students are expected to regularly attend all classes for which they are registered.

- Valid reasons for missing classes do not relieve the student from making up any missed work.
- Any instruction missed and not subsequently completed will necessarily affect the student’s grades, regardless of the reason for the absence.
- Only students enrolled for credit, non-credit or audit are permitted to attend classes.
- Students who have officially withdrawn from a course may continue to attend the course with the permission of the instructor for the remainder of the semester.

In order that classes and the normal usage of the college facilities and grounds are not disrupted; the following rules apply:

- Students are not allowed to leave unattended children on campus.
- Students should not bring children to class, labs or leave them unattended in the lounges, halls, library, cafeteria or other campus area.
- Dogs are not allowed to roam freely on the campus and must be on leash at all times.
- Only service dogs are allowed in the buildings or classrooms.
- The use of cell phones for calls, text messaging or other activities, pagers, MP3 players and other similar electronic devices is disruptive in the classroom environment. Individual faculty will inform their students regarding their policy concerning the use of this equipment in their classroom.

**CLEAN INDOOR AIR & TOBACCO POLICY**

It is a recognized fact that Environmental Tobacco Smoke (ETS) is a harmful indoor air pollutant which can cause significant health problems among non-smokers. ETS is known to contain more than 4,000 chemicals, many of which are known animal or human carcinogens. Exposure to ETS is also known to cause other adverse health effects such as cardiovascular and pulmonary injury (including asthma among children). The College faculty, staff, students and visitors should therefore be provided with a smoke-free environment to the fullest extent feasible.

The College, in compliance with the State of New Mexico’s Dee Johnson Clean Indoor Air Act of 2007, and Section 12-3-8 of the City of Farmington’s Smoking Regulations, has enacted a policy on smoking. All areas will be designated either as “non-smoking” or “smoking” as outlined in the act. All College employees and students are expected to comply. Persons who violate provisions of the Clean Indoor Air Act of 1985 shall be subject to penalties set forth in the act. Therefore:

- The smoking of tobacco or clove type products is prohibited in or at all fully enclosed college buildings (classrooms, offices, restrooms, corridors, etc.).
- Smoking shall be prohibited in designated outside areas.
- Smoking is only prohibited within 50 feet of any outside door, window, or building intake* or in certain outdoor common gathering areas such as the patio outside the Mary’s Kitchen outdoor athletic facilities and/or during College-sponsored or organized outdoor events or in College-owned or leased vehicles (cars, trucks, vans, motorized utility carts, etc.)
- The use of smokeless tobacco is not permitted in libraries, auditoriums, classrooms, laboratories, other instructional
support areas, or an area posted as prohibiting use of smokeless tobacco. Persons who use smokeless tobacco shall dispose of waste tobacco, debris, containers, etc. in a sanitary manner, in proper waste receptacles.

- The use of electronic cigarettes is not permitted in libraries, auditoriums, classrooms, laboratories, other instructional support areas, offices, restrooms, corridors, etc. or an area posted for “no smoking”.

In an effort to accommodate smokers and to assist them in compliance with the above stated policy, particularly in times of inclement weather conditions, and to minimize campus littering, health and safety, in consultation with the Physical Plant and the Safety Committee, may designate and/or construct certain limited outdoor shelter areas to be utilized for smoking. In that case, areas designated with an * may be exempt from smoking prohibition listed above.

**Students with Disabilities**

The Disability Services Office provides and coordinates mandated support services, auxiliary aids, and accommodations for students with disabilities, which allow them to gain equal access to an education. The Disability Services Office also serves as a resource to the College community and promotes awareness so that students with disabilities can participate in all facets of College life (For more information, please visit [https://www.sanjuancollege.edu/student-services/departments/advising-and-counseling-center/disability-services/](https://www.sanjuancollege.edu/student-services/departments/advising-and-counseling-center/disability-services/))

San Juan College complies with all applicable federal and state laws. Students with disabilities who need special accommodations must make their requests by contacting Disability Services Office, Educational Services, Room 4115, (505) 566-3271. Students are encouraged to notify their instructors of any Disability Services Office approved accommodation needs by the end of the first week of classes each semester.

To request disability-related accommodations, please visit and follow the instructions found at [https://www.sanjuancollege.edu/student-services/departments/advising-and-counseling-center/disability-services/](https://www.sanjuancollege.edu/student-services/departments/advising-and-counseling-center/disability-services/)

Remember, some accommodations require an extensive amount of time to fulfill (i.e. sign language interpreting, Braille, electronic text, and audio textbooks). Early notification is requested in order to ensure equal access to class materials in a timely manner.

Some students may have hidden disabilities and are protected under federal and state laws. These students are expected to meet the same standards of conduct as any student. San Juan College, to the extent required by law, is not required to retain or readmit a student with a disability whose behavior poses a direct threat to the safety of others.

It is important that an instructor establish standards of conduct for his or her classroom and enforce them for all students. If student’s behavior patterns are of concern, but non-threatening, then the instructor is advised to contact the SJC Behavioral Intervention Team at [https://www.sanjuancollege.edu/behavioral-intervention-bit/](https://www.sanjuancollege.edu/behavioral-intervention-bit/) or by phone at (505) 566-3020.

**SERVICE ANIMAL POLICY**

**DEFINITION OF SERVICE ANIMAL**

Under federal law, Service Animal means “any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Other species of animals, whether wild or domestic, trained or untrained, are not service animals for the purpose of this definition. The work or tasks performed by a Service Animal must be directly related to the individual’s disability.” See 38 C.F.R. § 35.104. Examples of work or tasks include, but are not limited to, assisting individuals who are blind or have low vision with navigation and other tasks, alerting individuals who are deaf or hard of hearing to the presence of people or sounds, providing non-violent protection or rescue work, pulling a wheelchair, assisting an individual during a seizure, alerting individuals to the presence of allergens, retrieving items such as medicine or the telephone, providing physical support and assistance with balance and stability to individuals with mobility disabilities, and helping persons with psychiatric and neurological disabilities by preventing or interrupting impulsive or destructive behaviors.

The provision of emotional support, well-being, comfort, or companionship do not constitute work and do not qualify a dog as a Service Animal.

Under New Mexico state law, a qualified Service Dog or qualified Service Miniature Horse means “a dog or miniature horse that has been trained or is being trained to provide assistance or perform tasks for the benefit of an individual with a disability who has a physical or mental impairment that substantially limits one or more major life activities. Service Animals do not include emotional support animals, comfort animals or therapy animals.” See § 28-11-2(b) and (c) NMSA (1978).
SAN JUAN COLLEGE PROTOCOL
San Juan College is to meet the requirements of state and federal law regarding accommodations for Service Animals and it supports the use of Service Animals on campus. Service Dogs will not be excluded from San Juan College or San Juan College activities. San Juan College shall make all reasonable accommodations to individuals with disabilities unless such accommodation would fundamentally alter the nature of the services provided by the College. College protocol allows Service Animals everywhere on campus.

OBLIGATIONS OF SERVICE DOG OWNERS
1. Under federal law, San Juan College will request a Service Dog owner to remove their dog:
   a. If the Service Animal is out of control and the animal’s handler does not take effective action to control it; or
   b. The animal is not housebroken (see 38 C.F.R. § 35.136(c)(2) and 38 C.F.R. § 36.03(c)(2)).
2. An animal under the handler’s control must have a harness, leash, or other tether unless either the handler is unable because of a disability to use a harness, leash or tether; or the use of a harness, leash or other tether would interfere with the Service Animal’s safe and effective performance of work or tasks, in which case, the Service Animal must be otherwise under the handler’s control (e.g. voice control, signals, or other effective means). See 38 C.F.R. § 35.136(c)(4) and 38 C.F.R. § 36.302(c)(4).
3. State law and Farmington municipal ordinance may put other obligations on Service Dog owners. San Juan College does not enforce these requirements.
4. Presenting a dog as a qualified Service Animal when they, in fact, are not qualified is illegal. See § 28-11-16(A) NMSA (1978).

OBLIGATIONS OF SAN JUAN COLLEGE
1. San Juan College is not responsible for the care or supervision of a Service Animal.
2. San Juan College is not responsible for cleaning up after the Service Dog.
3. San Juan College is not required to accommodate a Service Animal if that accommodation poses a direct threat to health or safety of others. The determination of a direct threat will be made on an individual assessment and reasonable judgment. See 38 C.F.R. § 36.201(a) and (b).
4. If it is not obvious what service the animal provides, San Juan College will ask:
   a. Is the dog a Service Animal required because of a disability; and
   b. What work or task has the dog been trained to perform.

WHAT SAN JUAN COLLEGE WILL NOT DO
1. Ask you for proof or certification of a Service Dog training;
2. Ask you for proof of licensure or vaccination for your Service Dog (although state law and municipal ordinance require this);
3. Ask you to prove or demonstrate your Service Dog’s abilities or controllability;
4. Ask you to remove a qualified Service Dog unless it is out of control and you do not take action to control it or it is not housebroken (defecates or urinates inside College buildings).

HOW YOU CAN HELP SAN JUAN COLLEGE HELP YOU AND YOUR SERVICE ANIMAL
(Not Requirements, But Common Sense Requests)
1. Contact the San Juan College Disability Service Office and let them know that you are bringing your Service Animal on campus. This lets the College advise your professors so we can properly accommodate you and your dog and other students as you participate in classes and College activities.
2. Let us know of requests or instructions you have relating to your Service Dog so we can educate others about avoiding interference with your Service Dog.
3. Let us know if you encounter problems, difficulties, or interference issues related to your Service Animal. We cannot solve a problem if we do not know about it.
4. If the use of your Service Animal does not meet your needs or if there are problems with your Service Dog’s behavior, let us know so we can come up with another way to provide you necessary services related to your education and activities on campus.
5. At the present time, San Juan College does not permit emotional support, wellbeing, comfort or companionship animals on campus. Please do not bring non-service dogs onto campus as they will not be allowed to remain and you will be asked to remove them.

If you have any questions or need more information about Service Animals at San Juan College, please contact the Disability Service Office, located in the Educational Services Building (Clock Tower Building), Room 4106 (in the Advising and Counseling Office), or call (505) 566-3271.

INTRODUCTION
San Juan College’s mission is to inspire and support life-long learning to achieve personal and community goals by providing quality education, services, and cultural enrichment. San Juan College, as an institution of higher education, supports free speech.

Diverse points of view, expressed though civil discourse and debate, form a cornerstone for active learning on a college campus and in our society. San Juan College is a learning community and uses the exchange of ideas and information to further individual knowledge and understanding.

Freedom of speech is a basic tenet for citizens in the United States. It is protected under the First Amendment to Constitution which states: “Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or of bridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.” The State of New Mexico has codified parameters for speech and assembly relating to state educational institutions in State Statute 30-20-13.(D) which states: “No person shall willfully interfere with the education process of any public or private school by committing, threatening to commit or inciting others to commit any act which would disrupt, impair, interfere with or obstruct the lawful mission, processes, procedures or function of a public or private school.”

ACCESS TO CAMPUS
The College must also maintain its primary mission relative to educating its students. In that regard, the College maintains the right to assure that the educational process will not be impeded. Any requirements imposed under this policy will be content and viewpoint neutral.

No endorsement is implied by the college for individuals/groups using their rights of speech on the campus.

The college’s campuses and facilities shall be open to students, faculty, staff, guests and visitors except on such occasions when all or part of the campuses, buildings, and other facilities are closed to the general public.

FREEDOM OF ASSEMBLY AND DEMONSTRATION
Any outdoor area that is generally accessible to the public may be used by any individual or group for petitioning, distributing written material, handing out newspapers, or conducting speech acts. Prior approval is not necessary as long as the primary action is not to advertise or sell a commercial product. Activities must follow all applicable fire codes, local, state, and federal laws. Activities shall not:

- Unreasonably obstruct vehicular or pedestrian traffic or create safety issues for themselves or others in parking, traffic or pedestrian areas.
- Block the entrances or exits to buildings and facilities.
- Permanently occupy land areas or permanently locate signs and posters.
- Erect permanent structures, shelters or camps.
- Unreasonably interfere with classes, college work, and scheduled events.

In exercising the right of free expression, one must also accept the responsibility of following the laws related to the safety of people and property. If property damage or littering contrary to City of Farmington municipal code occurs, or other unusual expenses are incurred by the college as a result of the event, event organizers may be held responsible for reasonable charges if deemed appropriate by the Vice President of Student Services or his/her designee.
GROUP SPEECH ACTIVITIES
Group speech activities, including rallies, parades and demonstrations that are advertised through public media including newspapers, radio, television, flyers, or electronic lists may need to be coordinated through the San Juan College Public Safety Office.

Any individual, group, or organization sponsoring a group speech activity that is expected to draw more than 50 persons at one time and uses public media for advertising must notify the San Juan College Public Safety Office no less than 72 hours in advance of the activity, so that the San Juan College Public Safety Office can take appropriate actions to ensure the safety of the event and issue a permit as proof of prior notification. Activities expected to draw 100 or more participants, or require road closures or detours, must be scheduled two weeks in advance.

Any individual, group, or organization planning a group speech activity should contact the Student Activities Office two business days in advance so that activities may be coordinated with appropriate college offices. This will allow for locations to be reserved or other safety and scheduling concerns to be addressed. Contacting the Student Activities Office is voluntary and does not constitute an approval process for the proposed speech.

1. All scheduling is done on a “first come, first serve” basis.
2. Activities that are scheduled receive priority in the use of space on campus.

FREEDOM OF EXPRESSION AND SPEECH
Single individual free speech activities taking place in traditional public forums are allowed under the protections listed in the United States Constitution.

Single individual rights are protected as long as this “Free Speech” activity does not disrupt the rights of others and their ability to use walkways, roadways, and/or access to facilities or pose safety risks to others.

USE OF CHALK
Chalk may be used on campus as long as it is restricted to the Learning Commons Plaza area concrete walking surfaces.

All chalk used must be of a temporary or removable nature. Permanent chalk, such as surveyor’s chalk, may not be used under any circumstances.

PETITIONING AND LITERATURE DISTRIBUTION
All literature distributed must contain identifying information either (1) the name of a San Juan College sanctioned organization, or (2) the name and address (which may be an organization and e-mail address) of the unaffiliated entity or person or the telephone number of the unaffiliated entity or person for someone to contact in case of litter problems.

Literature may be distributed hand-to-hand, through the use of tables, or by posting on designated bulletin boards.

Written materials may not be placed in non-approved locations. Written materials may not be placed on any part of a college building or structure without college permission. Posting on traffic signs, power poles, trees, and automobile windshields is not allowed. Written materials may be handed to automobile occupants who are willing to receive them.

Tables are allowed as long as they do not unreasonably interfere with pedestrian traffic. Materials may not be left on unattended tables. While scheduling of tables is not required in advance, those individuals who have previously scheduled a site through the Student Activities Office or other appropriate college offices will have priority in terms of location use.

POSTING POLICY
The following posting guidelines apply to all posted material at San Juan College. All signs, notices, flyers, posters and table tents must be date stamped by the Office of Student Activities before any materials can be posted. The exception to this process is for class room schedule changes, cancellations or closure which will be posted outside the classroom by the appropriate department.

- Posters/Flyers can be posted on all “San Juan Events and Community Board” bulletin boards. A list of these boards, including their locations is available in the Student Activities Office.
- A copy of flyer must be given to the Student Activities office for informational use only.
- Any material without a stamp and past its expiration date will be removed.
- Advertisements posted on college property by registered campus organizations or an off-campus company or group may not imply sponsorship or endorsement by the college.
- All advertising must be factual, and should not mislead or misrepresent the real nature of the event, activity, service, or commodity advertised.
- Due to space issues no posters/flyers larger than 11” x 17” will be allowed on any official boards unless prior approval from the Director of Student Activities is obtained.
- Due to space issues, campus organizations and departments are permitted 2 different notices/posters per bulletin board, and off-campus organizations are permitted to post 1 notice per bulletin board.
- All posters/flyers must contain the name of the sponsoring college department, organization or outside sponsor and contact information such as phone number or email.
- Push pins are the only approved method of posting on bulletin boards. The use of Duct Tape, double sticky tape, glue, etc. is prohibited.
- Any material posted in violation of these policies will be removed.
- No posting of any information on vehicles in the San Juan College parking lots is allowed.
- Only building hours, schedule changes, or closures will be posted on front entry doors by appropriate departments. Only class schedule changes will be posted outside classroom doors by the appropriate department. Any other materials may not be placed on glass, painted or varnished surfaces of any kind.

POLICY ENFORCEMENT

IDENTIFICATION CARDS

Students are required to have a student ID. A card that is worn out will be replaced free of charge. Lost card replacement is $10.00. Students may be asked to present their ID cards to properly identified San Juan College personnel upon their request while these people are in the performance of their duties. SAN JUAN COLLEGE STUDENT E-MAIL

E-mail is an official method for communication at San Juan College between the College and its students. This ensures that all students have access to this important form of communication. Furthermore, it ensures that students can be communicated to through a standardized channel by instructors and other staff of the College as needed.

The College will send communications to students via e-mail. Students are responsible for the consequences of not reading in a timely fashion College-related communications sent to their official San Juan College student e-mail account. Each student, upon enrolling, is issued an e-mail account with an address on the my.sanjuancollege.edu domain. This e-mail account is created by the Office of Technology Services and is the official e-mail address to which the College will
send e-mail communications. This official address will be recorded in the College’s electronic directories and records for that student. Students are expected to check their San Juan College official e-mail frequently in order to remain informed of College-related communications.

Instructors may also require students use e-mail in their class, including requiring students to check their e-mail on a regular basis. Instructors may also require students to use their Learning Management System’s internal email system (Canvas) which is also considered official communications from the College.

E-mail is not appropriate for transmitting sensitive or confidential information. Do not send any personally identifiable information through the College email system. The San Juan College e-mail system does not provide the appropriate degree of security and access privileges to ensure security.

All use of e-mail will be consistent with other College policies. All use of e-mail will be consistent with local, state, and federal law, including the Family Educational Rights and Privacy Act (FERPA).

Communications sent to a student’s official San Juan College e-mail address may include notification of College-related actions, emergency notifications, and payment notifications; however, e-mail shall not be the sole method for notification of any legal action.

STUDENT CONDUCT RULES

All students at San Juan College are expected to conduct themselves as responsible citizens on the campus and in the community when involved in any college related activities. Misconduct and inappropriate behavior will subject the student to disciplinary action. Students at the College neither lose the rights nor escape the responsibilities of good citizenship. Students are expected to obey all rules regarding College policies and procedures as well as all civil and criminal statutes of the State of New Mexico and the United States. Students may be penalized by the College for violating its standards of conduct as well as face possible civil or criminal actions by state or federal authorities for the same act. Students suspected of possession or use of alcohol, drugs, or the aforementioned objects, will be brought to the Vice President for Student Services office by San Juan College Public Safety. The result will determine the disciplinary action to be taken:

The student(s) involved will be given the opportunity to submit a response to the claimed infraction to the Vice President for Student Services or his/her designee. Following the investigation, the Vice President will make an administrative decision on the case. If warranted, the Vice President for Student Services will determine the appropriate disciplinary action.

In cases involving suspension, dismissal, expulsions, or where the disciplinary action prevents the student(s) from continuing enrollment at the College, the student(s) shall have the right of hearing before the Disciplinary Appeals Committee. A notice of the right of hearing shall be given to the student(s) and should the student wish to exercise his/her right to a hearing, he/she must submit to the Vice President of Student Services a signed written request within 72 hours from the time the notice or right of hearing is given to him/her.

In cases of suspension, dismissal and expulsion where the student(s) have requested a hearing, the student(s) shall be allowed to attend classes and remain on campus until the Disciplinary Appeals Committee renders a decision except when, in the opinion of the Vice President of Student Services or his/her designee, the situation is of an emergency nature which threatens the health and safety of the San Juan College community. In emergency situations, this right is suspended, and the College may take appropriate action to immediately remove the student(s) from the College premises with the provision that it does not prejudice the student’s right to a hearing.

Hearing Procedures
Upon receipt of the written request for an appeal hearing, the Vice President for Student Services or his/her designee will appoint a Disciplinary Appeals Committee composed of five persons.
The membership of the committee will include:
1. One faculty member
2. One Student Services professional staff member
3. Two students
4. One faculty member from a different department
The Vice President will mail a notification of the formal hearing to all individuals involved, within 10 working days after the receipt of the written request for a hearing. The committee will provide all involved individuals an opportunity to present evidence and arguments and the hearing will comply with due process requirements. The Disciplinary Appeals Committee will determine the outcome based on all information given orally or in writing at the formal hearing.
The decision of the Disciplinary Appeals Committee becomes official upon a majority vote and will result in a case dismissal or an imposition as outlined in Disciplinary Actions and Sanctions.
All decisions of the Disciplinary Appeals Committee will be given to the individuals involved, the Vice President for Student Services, and the President within five working days following the hearing. All Disciplinary Appeals Committee
decisions may be appealed to the President within 10 working days following the hearing, without further right of appeal. Records of the Disciplinary Appeals Committee decision will be kept in the Office of the Vice President for Student Services.

**Disciplinary Actions and Sanctions**

The Vice President for Student Services and, through appeal, the Disciplinary Appeals Committee are authorized to impose penalties for student infractions including, but not limited to, the following:

1. Withholding of grades, transcripts, and/or degree.
2. Suspension of rights and privileges; and
3. College suspension or expulsion, or
4. Barring from campus

The degree and extent to which a sanction is applied is left to the discretion of the Vice President of Student Services and/or the Disciplinary Appeals Committee, dependent upon the circumstances in any given case. (Board Policy No. 704).

**Limitation Period**

No student shall hereafter be subjected to disciplinary procedures stemming from an alleged violation of College regulations unless such procedures are initiated within one year from the time of the occurrence of the alleged violation. The College shall make every reasonable attempt to notify the student of the infraction and request a conference. Notifications shall be certified mail to the address the student provided to the Records Office.

**Disciplinary Appeals Committee Process**

When a disciplinary appeal is scheduled, a Disciplinary Appeals Committee will be established according to the San Juan College Catalog to hear the appeal and to render a decision. The guidelines for the two parties – the person appealing, hereafter referred to as *Student*, and the person representing the department, hereafter referred to as *Department* – should be prepared for the meeting with the Disciplinary Appeals Committee. The committee will be provided with the documentation that was previously submitted to the Vice President for Student Services by each party.

**Disciplinary Appeal Guidelines**

Prepare an oral presentation for the Disciplinary Appeals Committee providing them with specifics regarding the situation – a maximum of 20 minutes with approximately 10 minutes for follow up questions for each party will be allowed. Both parties will be present during the presentation portion of the appeal and the rebuttals (if any). A five-minute rebuttal by each party will be permitted, after both presentations have been made, if desired. There is no time limit on questions from the Disciplinary Appeals Committee.

Student and department have the opportunity to provide the Disciplinary Appeals Committee with a maximum of three pages double-spaced summary of the situation. (This is optional and must be submitted by 5:00 p.m. the day before the hearing to the Vice President for Student Services Office. The Vice President will provide copies of this to the committee members for their review by 9:00 a.m. the day of the appeal.)

**Other guidelines**

Each party is permitted to invite one individual to accompany him/her to the appeal meeting for assistance and moral support; however, these individuals are not allowed to comment or speak during the proceedings. During the time the student has the floor, the department cannot comment or interrupt nor can the student interrupt the department when it has the floor.

An organized and thoughtful presentation is essential. The Chair of the Disciplinary Appeals Committee will monitor time, and when the allowed time has expired will move on to the next item. After the presentations, the rebuttals, and the question and answer period, the student and the department will be dismissed, allowing the Disciplinary Appeals Committee to deliberate.

All decisions of the Disciplinary Appeals Committee will be given to the individuals involved, the Vice President for Student Services and the President within five (5) working days of the hearing. All Disciplinary Appeals Committee decisions may be finally appealed to the President within ten (10) working days following the hearing, without further right of appeal. Records of the
Disciplinary Appeals Committee decision will be kept in the Vice President for Student Services Office.

### WEATHER “CLOSURE” POLICY

San Juan College will “close” because of severe weather when normal operation would pose a significant hazard to students, staff, faculty and the community attending classes or other activities. When the campus is “closed”, classes will not be held and meetings and scheduled community events are cancelled unless prior arrangements have been made with appropriate College officials. All areas and operations not defined as “essential” are closed.

**Weekdays:** Bad weather conditions, including snow, are monitored by College officials in conjunction with officials of the local community school districts; however the College is the final determinant for any campus closures. The College makes every attempt to follow bad weather closures (two hour delay - 8:00 am to 10:00 am or all day closure - 8:00 am to 5:00 pm) of the Farmington School District. The Health and Human Performance Center makes a separate determination regarding early morning closure from 4:00 am to 8:00 am; then follows the College closure or delay procedure after 8:00 am. The Vice President of Student Services (or designee) determines weekday evening (after 5pm) campus closures by 2:00pm of that day.

**Weekends:** In all cases, the determination for closure or delay is communicated to the public and campus community through the Public Relations Office for the College.

**Notification:** Radio and televisions stations will be notified of snow closures or delays. The information will also be posted on the College web site and sent to all employees and students through the official email system. A recorded message will be available through the main switchboard at 326-3311. Day closures are announced between 6:00 am and 8:00 am; evening closures by 2:00 pm if possible. As a rule, the College is open unless otherwise notified. Students should make their own determination as to whether they can make it safely to the College campus.

**Controlled Access:** The College pursues a protocol of controlled access during announced closures or delay periods. Access is allowed only through a controlled point at Sunrise Parkway and Education Drive. Only authorized individuals are allowed access. All other campus entrances to the campus are closed.

---

### COMMUNICABLE DISEASES

The College reserves the right to exclude a person with a communicable disease from College facilities, programs, and functions if the College makes a medically based determination that the restriction is necessary for the welfare of the person who has the communicable disease and/or the welfare of the other members of the College community.
**FIRE RESPONSE POLICY**

Students should know the location of fire extinguishers, fire exits, and alarm systems on campus. Directions on how to use the equipment is readily available and easy to read.

Take the following steps in case of a fire:

Call 911 (from a campus phone dial 911), and then call DPS at ext. 3333 or 215-3091. The primary concern, in case of fire, is your safety. Use a fire extinguisher to ensure your safety to an exit if needed. Proceed calmly to the nearest stairwell or EXIT sign, and evacuate the building.

Non-disabled individuals are to assist all persons with disabilities in exiting the building. DO NOT USE ELEVATORS. If a door feels warm - do NOT open it. Smoke is the greatest danger in a fire, so stay near the floor where the air will be less polluted. If there is heavy smoke, stay near the floor and breathe through a piece of clothing. When outside of the building, maintain a distance of at least 500 feet from the building. Keep streets, fire lanes, hydrants and walkways clear for emergency vehicles and crews.

*Do not return to an evacuated building* unless told to do so by a College official. After evacuating the building, go to your designated assembly point and stay there until an accurate headcount is taken. Do not re-enter the building until a fire department has designated the building as safe for re-entry.

**HEALTH AND SAFETY PROVISIONS**

San Juan College is committed to providing a safe and healthy work and educational environment, free from recognized hazards that could cause injury or harm to College assets. Policies follow standards, protocols, and guidelines set forth by San Juan College, the Centers for Disease Control (CDC), Occupational Safety and Health Administration (OSHA), the New Mexico Environmental Protection Agency (EPA), the American Dental Association (ADA), and the American Association of Dental Educators. Call the Department of Environmental Health and Safety & Risk Management to report any concerns at (505)566-3190.

**MEDICAL OR PERSONAL INJURY**

In the case of personal injury, or a medical emergency such as a heart attack or seizure, call DPS at ext. 3333 or 215-3091. If it a medical emergency and an ambulance is needed, call 911 and advise the dispatcher of the personal injury condition. If the individual is having convulsions or seizures, make the room as safe as possible for that individual. Remove any object or furniture that could harm the person. Check for sharp or blunt objects that could cause lacerations or concussions. Ask those present if anyone knows the injured party’s family or name. Ask those present to stay until DPS or emergency medical services arrive. For minor injuries, use the first aid kits that are located throughout the campus.

**NO SANCTUARY RULE**

The College can only meet its goals as an educational institution when individuals working within its environment abide by its established procedures, policies, and protocols. Certain acts are inconsistent with College goals as are the individuals who commit them. The College cannot serve as a sanctuary for those individuals accused and arrested for any of the following acts:

- Murder
- Arson

4. Inform the DPS of your membership(s) in any campus clubs or student programs
5. Inform DPS of any changes to your course schedule, club memberships, student program memberships, or any personal information within 10 days of the change.

**SAFETY TIPS**

As a deterrent to crime, the College recommends that students, staff, faculty, and guests practice sound crime prevention practices such as:

- Take the safest route to and from campus, not the fastest route.
- Travel in groups of two or more at night, and always walk in well-lit, heavily traveled areas. If you do not have someone to walk with you, please contact DPS for an escort by calling (505) 566-3333 or 3333 from any campus phone.

- Follow your instincts. If something doesn’t feel right, change directions, go to an emergency phone or public building and call DPS.
- Do not leave your belongings unattended, even for a few minutes.
- Avoid displaying large amounts of cash or other items such as jewelry or expensive equipment.
- Always lock your car and keep valuables out of sight. Check the back seat before getting in.
- Park in well-lit, well-traveled areas of the parking lot.
- Report any suspicious activity to DPS
• Lock rooms and offices when unattended.

**DRUG AND ALCOHOL POLICY AND INFORMATION**

Students are one of San Juan College’s most valuable resources, and their health and safety are matters of serious concern. It is the goal of San Juan College to protect the public health and environment of all members of the College by promoting an alcohol and drug free work environment.

In accordance with the Drug Free Workplace Act of 1988, and the Drug Free Schools and Campuses Act Amendments of 1989:

*San Juan College, therefore, prohibits the unlawful manufacture, distribution, dispensation, possession, or use of any controlled substance, alcohol, or illegal drug on its premises and/or during any San Juan College sponsored or related event.*

Students have the right to an environment free from the effects of substance abuse. The term substance abuse, as used in this policy, refers to the use of illegal drugs or controlled substances and the consumption of alcohol in quantities to the extent that an individual is unable to perform in a safe and productive manner. Students are expected and required to report to class and/or to any San Juan College sponsored or related event if they fit to perform in a safe and efficient manner.

Students who violate the provisions of this policy may be subject to disciplinary action. San Juan College recognizes drug/alcohol dependency as an illness and a major health problem.

The College also recognizes drug/alcohol abuse as a potential health, safety, and security problem to the institution. Students needing help in dealing with such problems may contact the Advising and Counseling Center for referrals to available substance abuse education, treatment and rehabilitation programs.

As a condition of continued registration and enrollment, any student of San Juan College shall abide by this policy. Violation of this policy shall result in disciplinary action, up to and including expulsion. The College reserves the right to administer a drug screening of any student suspected of substance abuse. For more detailed information, students should contact the Advising and Counseling Center.
LEGAL SANCTIONS FOR THE UNLAWFUL POSSESSION OR DISTRIBUTION OF ILLICIT DRUGS AND ALCOHOL

The penalties for even the most minor of violations of the Liquor Control Act can include fines of up to $300, confiscation of property and imprisonment for up to seven months. More serious violations carry greater penalties, with larger fines and longer imprisonment.

Penalties for illegal drug use can include significant fines and imprisonment. Penalties for the illegal sale of drugs are greater, and may include property confiscation. Alternative penalties for illegal drug or alcohol use may also include mandatory community service. Violation of laws by a foreign national may result in deportation.

In drug-related cases, a court can permanently suspend eligibility for federal benefits, including financial aid. A criminal record can seriously hurt education and career opportunities.

THE CITY OF FARMINGTON CONTROLLED SUBSTANCES AND ALCOHOL POLICY

It is unlawful for any person to intentionally possess one ounce or less of marijuana within the city. It is unlawful for any person to, knowingly or under circumstances where a person reasonably should know, manufacture, distribute or possess with intent to distribute an imitation controlled substance. It is unlawful for any person to sell, offer for sale, display, furnish, supply or give away any of the following devices or paraphernalia: any cocaine spoon, a marijuana or hashish pipe, empty gelatin capsule, hypodermic syringe or needle, or any other device primarily adapted for, designed or promoted for smoking, injecting, administering or consuming marijuana, hashish, PCP or any other controlled substance as defined in the statutes of New Mexico.
